# Input from NA4

*Monday, 1 March 2010 13:30 (30 minutes)*

What services are they really looking to be sustained by EGI.eu across VOs, training, dissemination, etc.? This should NOT be a list of items that were requested in ROSCOE, SAFE, CUE & TAPAS but a review of the critical items needed to sustain their community that cannot be provided through other sources.

**Presenter:**   LOOMIS, Cal

**Session Classification:**   Post EGEE Requirements for NA4/NA3 & NA2
