

## **Sustainability of NGI operations and assessment of EGI global operations services**

*Thursday, 20 September 2012 14:05 (40 minutes)*

### **Description of the work**

Link to sustainability survey: [https://wiki.egi.eu/wiki/EGI\\_Operations\\_Surveys#Sustainability\\_of\\_the\\_EGI.2FNGLs\\_operations\\_service](https://wiki.egi.eu/wiki/EGI_Operations_Surveys#Sustainability_of_the_EGI.2FNGLs_operations_service)

### **Printable Summary**

We will analyze the current perspectives and sustainability of NGI operations after April 2014 and the status of EGI global operations services according to the input gathered from NGIs through a survey on operations sustainability.

We will also discuss ideas of innovation for operations towards Horizon 2020.

**Presenter:** Dr FERRARI, Tiziana (EGLEU)

**Session Classification:** Operations
