

VT ELIXIR

the first meeting

Pavel Fibich

Czech NGI

31. 10. 2012

- ▶ ELIXIR is ESFRI infrastructure for life science
- ▶ IT nature – collecting and processing the huge amount of data
- ▶ we do not want parallel e-infrastructure to EGI
- ▶ can offer experience from distributed and storage systems
- ▶ we expect that some interaction or even collaboration between NGIs and ELIXIR communities is already ongoing in some countries
- ▶ to share information and experience gain in the individual countries
- ▶ helping EGI to prepare a concise and acceptable approach towards ELIXIR

- ▶ getting contacts from different countries
 - ▶ Armenia (Hrachya Astsatryan)
 - ▶ Czech (Luděk Matyska, Miroslav Ruda, Aleš Křenek, Ivana Křenková)
 - ▶ Finland (Kalle Happonen, Pekka Lehtovuori, Tommi Nyronen)
 - ▶ France (Tiphaine Martin)
 - ▶ Greece (George Lamprinidis)
 - ▶ Italy (Daniele Cesini)
 - ▶ Netherlands (Irene Nooren, Coen Schrijvers)
 - ▶ Spain (Ignacio Blanquer)
 - ▶ Poland (Mariusz Sterzel)
 - ▶ UK (David Wallom)
 - ▶ Turkey (Burcu Ortakaya)

- ▶ EGI (Gergely Sipos, Richard Mclennan)

We are still looking for other contacts.

- ▶ regular meetings every Wednesday 10:15 - 11:15 (GMT+1) using egi.webex.com
- ▶ to present the actual situation in the countries
- ▶ each week will present one country (we will prepare Doodle for it)
- ▶ next week I will present the situation in the Czech Republic
- ▶ can be used as a template for NCI presentations

- ▶ ELIXIR in your country
 - ▶ Which institutions are involved?
 - ▶ What activities/projects are ongoing (you are aware of)?
- ▶ Interaction between ELIXIR and NGI (or other e-infrastructures like NRENs)
 - ▶ Are there any formal or informal contacts?
 - ▶ Is there any actual collaboration ongoing with ELIXIR or part of its community?
 - ▶ Any issues, comment on the interaction between ELIXIR and NGI?

- ▶ established social network of ELIXIR-related people within individual NGIs for international collaboration at both technical and organizational levels between ELIXIR and EGI
- ▶ share information and solve issues of ELIXIR projects
- ▶ VT report to know what is ongoing in each country
- ▶ ELIXIR VT presentation at EGI CF 2013
