

EGI-OSG collaboration

Tuesday, 17 September 2013 11:50 (20 minutes)

This presentation will provide an opportunity to discuss the following items:

- implementation of a EGI-OSG CVMFS infrastructure,
- publishing of accounting data to the EGI repository for new VOs (like enmr.eu),
- actions to be undertaken to support new international VOs
- enmr.eu interoperability

Presenter: QUICK, Rob (Open Science Grid)

Session Classification: Operations integration
