

## EGI Engagement & NIL meeting

*Monday, 19 May 2014 15:00 (3 hours)*

This is a request for one 90 minutes long session for a NIL meeting. The session should be allocated to as early as possible in the programme.

Another possibility is to rename the meeting to 'EGI Outreach meeting' and open it up for all the key members of EGI Outreach:

- NILs
- EGI.eu UCST + Press
- Champions (if budget allows)
- DCC members (if budget allows)

Detailed agenda and registration page is available at <https://indico.egi.eu/indico/conferenceDisplay.py?confId=2060>

### Wider impact and conclusions
