

EGI Council workshop (open), SESSION I: Sustainability

Thursday, 22 May 2014 11:00 (1h 30m)

Over the years, EGI has consolidated a portfolio of services and solutions that are currently offered to research communities in Europe and to their world-wide collaborators to conduct top-class research. EGI is committed to continuously innovate and expand the service offering and ensure their long-term availability. This session is devoted to presenting the strategic actions that are identified that should lead to the EGI growth and long-term sustainability. Attendants will have the opportunity to provide feedback that will be considered for the next iteration of the EGI Sustainability and Business Plan.
