EGI Community Forum 2014 - Helsinki

Tuesday, 20 May 2014

Porting new applications to EGI - Room 8 (14:00 - 15:30)

-Conveners: Karolis Eigelis

time	[id] title	presenter
14:00	[122] Porting applications to grid and cloud	EIGELIS, Karolis
14:10	[73] Application porting and web services for the Molecular and Materials Sciences and Technologies community	COSTANTINI, Alessandro
14:30	[82] EU-Brazil Cloud Connect: Integrating services for heterogeneous infrastructures	Dr BLANQUER, Ignacio
14:50	[98] High Performance Computing for Nanoscale Simulations	HLUCHY, Ladislav
15:10	[70] Multicore job management in the Worldwide LHC Computing Grid	Dr PEREZ-CALERO YZQUIERDO, Antonio

Porting new applications to EGI - Room 8 (16:00 - 17:30)

-Conveners: Karolis Eigelis

time	[id] title	presenter
16:00	[44] Non commutative simulations on GRID	Dr SPISSO, Bernardino
16:20	[68] Scaling MATLAB applications to the bwHPC project in the state of Baden-Württemberg, Germany	Mrs GRAD-FREILICH, Silvina
16:40	[57] Virtual Research Environment "Optimal Engineering Design as a Service"	Prof. PETRENKO, Anatolii
17:00	[187] Porting new applications to EGI - discussion	EIGELIS, Karolis
