JRA1 Report for Accounting and Metrics Portals

Iván Díaz & Álvaro Simón

- #980: extensions for decomissioned ROCs/NGIs: Needs external support.
- #3304: Retrieve NGI accounting data - There are critical privacy concerns with VO Managers that affect this requirement, please see ticket. A new role for NGI managers should be created.
- #3497: Summary view in accounting portal home page - on progress.
- Storage: Support to Storage jobs data - Implemented
- Application: Support to Application jobs data - No data yet.
- Disciplines: Support to Scientific disciplines - Waiting for data.

- #4071: Support to MPI jobs data - Implemented
- #4609: First implementation of the regional Accounting Portal by Y3 – Done, tested with success by NGI_GR staff.
- #6092: Generating report with cost values - Implemented for Global and User views, gathering data to improve cloud pay per use calculations.

- No new requirements
