AGENDA

	Agenda Item	Action
1.	Introduction and Operations update <ul style="list-style-type: none"> • Access to EGI wiki • 80%/85% ava/rel threshold • NGI Information in GOC DB • QR17 metrics • EGI Federated Cloud security survey • EGI September conference • ARGUS deployment 	<p>NGIs: Double check NGI info in GOC DB</p> <p>NGIs: Submit QR17 metrics Deadline 1 August</p> <p>NGIs: Deploy NGI ARGUS as requested through GGUS</p>
2.	Resource Allocation update <ul style="list-style-type: none"> • Status of Resource Allocation • Issues: <ul style="list-style-type: none"> ○ Misunderstanding / lack of knowledge about RA process ○ Incompatibility of local/national policies with EGI RA process <p>Discussion:</p> <ul style="list-style-type: none"> - Create a catch-all VO for small requests to decrease 	<p>Resource Allocation team: contact NGIs to find-out the situation of the local policies</p> <p>EGI.eu User support + Operations: to discuss the catch-all VO - how to setup, what is the support, the implications having it in the infrastructure</p>

	<p>technical overhead</p> <ul style="list-style-type: none"> - System should produce configurations for the sites to support VOs - Some NGIs (Belarus, Africa) would like to use e-grant locally. NGI_PL is already using a regional version of e-Grant, a prototype. 	
3.	<p>EGI OLA and SLA Framework update</p> <ul style="list-style-type: none"> • https://wiki.egi.eu/wiki/Performance • Resource Center OLA new version • Resource infrastructure Provider OLA new version • EGI.eu OLA <ul style="list-style-type: none"> ○ Change: COD team becomes “Operations support” team with limited activates 	<p>NGIs: provide comments to RP and RC OLA. Deadline 15 August August OMB: approval</p> <p>Deadline changed to 5.09.2014 after mailing list discussion.</p>
4.	<p>Operations Portal testing group</p> <ul style="list-style-type: none"> • Call for participants in Operations Portal Advisory (and Testing) Board • First meeting – F2F at EGI’s Sept Conference 	<p>NGIs: express interest in participating in Ops Portal AB – contact operations@egi.eu</p>
5.	<p>SAM probes refactoring</p> <ul style="list-style-type: none"> • Call for participants in SAM probes refactoring activity <p>Discussion: Bruce B - interest for puppet configuration Goncales B - LFC is still used by small sites &VOs Kostas agrees, also used in VAPOR</p>	<p>NGIs: express interest in participating in SAM probes refactoring activity – contact operations@egi.eu</p>
6.	<p>VAPOR Overview</p> <p>https://operations-portal.egi.eu/vapor/</p> <p>Discussion: Małgorzata K – this tool would be useful for EGI user Portal concept right now being discussed in EGI. Information sent to EGI UCST.</p>	
7.	<p>UMD decommission update</p> <ul style="list-style-type: none"> • Few sites are still providing UMD2 services – next week (4 – 8 Aug) sites with UMD 2, not in downtime, will be suspended (ref: GGUS #106354) • Few sites are still using UMD2 APEL clients to publish accounting data – deadline 1 week to upgrade to UMD3 version (ref: http://bit.ly/ggus_apel_client_umd2) 	<p>NGIs: Upgrade to UMD3, all services including APEL clients, or open downtimes until upgrade is performed</p>

8.	AOB Gstat support: Problem with manpower in Asia Pacific to support gstat. Please do not create tickets based on gstat probes. Next meeting: 28 August
