

## EGI Business Engagement Programme

*Thursday, 21 May 2015 11:00 (30 minutes)*

The EGI Business Engagement Programme provides an opportunity for both commercial and non-profit organisations to engage with the world's largest e-Infrastructure supporting European and global scientific and research collaborations to accelerate the adoption of the scientific outputs into society, to support innovation and knowledge transfer into the market. EGI is open to engagement with a broad range of public and private companies of all sizes and sectors, and will develop specific offerings for different types and collaboration activities.

This presentation outlines the goals of EGI business outreach activities and various opportunities within it.

**Presenter:** HOLSINGER, Sy (EGLEU)
