Overall Business Track Summary: Themes, Opportunities, and Requirements

Friday, 22 May 2015 11:00 (30 minutes)

This presentation will provide a summary of the main requirements proposed during the two days of the business track, including recurring themes, potential opportunities and detailed requirements moving forward. This should serve as a basis for the panel and open discussion to confirm business requirements and a prioritisation among them.

Presenter: HOLSINGER, Sy (EGI.EU)

Session Classification: Business Track: Summary, Wrap-up and Open Discussion
