

## **EGI-Engage Engagement strategies: bringing together Competence Centres, NILs, UCB and Champions**

*Monday, 9 November 2015 09:00 (1h 30m)*

This is a request for 1/2 session on Monday for a f2f Engagement meeting. The content would be based on the different activities that are included in the action plan part of the Engagement Strategy (most recent issue is in D2.1).

1 session is sufficient in case NGIs can give engagement stories talks in some other session during Tue-Fri. Otherwise 2 sessions would be needed.

### **Summary**
