

## EGI FedCloud F2F meeting

*Monday, 9 November 2015 13:30 (2 hours)*

The EGI Federated Cloud provides access to IaaS cloud resources on a flexible environment for computing and data access fully integrated with EGI core services. This F2F will be an opportunity to discuss the status of the cloud infrastructure, the status of the Engage developments and to coordinate new activities around the Federated Cloud.

Agenda:

1. Status of the FedCloud
2. Resource Providers input
3. Roadmap discussion

**Presenter:** Dr FERNANDEZ, Enol (EGL.eu)

**Session Classification:** Federated Cloud meeting
