

# EGI Conference 2016. Opening Science in Europe and in the World

## Thursday 07 April 2016

### Third Community Workshop on Open Science Cloud - Turingzaal (09:00-10:30)

**-Conveners: Wouter Los**

time	[id] title	presenter
09:00	[30] KEYNOTE: EOSC policy context, priorities and implementation roadmap	LUSOLI, Wainer
09:30	[55] EOSC market demand for art, humanities and cultural heritage	NICCOLUCCI, Franco
09:50	[56] Priority gaps for EOSC (CORBEL RI CLUSTER)	NEWHOUSE, Steven
10:10	[57] ENVRIplus and the OSDC	LAJ, Paolo

### Third Community Workshop on Open Science Cloud: Workshop on Open Science Cloud, Session II - Turingzaal, WCW Congress Centre (11:00-12:30)

**-Conveners: David Foster**

time	[id] title	presenter
11:00	[58] New services for repeatability and linking of research objects (OpenAIRE)	MANGHI, Paolo
11:20	[59] EOSC innovation for citizen science (SOCIENTIZE and Iber civis)	SERRANO SANZ, Fermin
11:45	[87] Services for the establishment of data science	DEMCHENKO, Yuri
12:05	[96] Virtual Research Environments as-a-Service	CASTELLI, Donatella

### Third Community Workshop on Open Science Cloud: Workshop on Open Science Cloud, Session III - Turingzaal, WCW Congress Centre (14:00-15:30)

**-Conveners: Natalia Manola**

time	[id] title	presenter
14:00	[60] Business and service management processes for the EOSC Commons	Dr FERRARI, Tiziana
14:20	[74] Innovating integrated research at all levels of biological organisation: structuring the research process in virtual labs over the entire life cycle of the activity	ARVANITIDIS, Christos
14:40	[88] Establishing the infrastructure layer of the European Open Science Cloud	SEVASTI, Afrodite Dr ENRICO, Michael
15:00	[97] Discussion
