

Overview of planned structure and processes within the Software Providers

Thursday, 4 March 2010 09:30 (1 hour)

Presentations on how the software projects expect to work, how they are structured and the potential interaction points with EGI.eu

* Initiative for Globus in Europe (IGE - Alexander Papaspyrou)

* European Middleware Initiative (EMI - Alberto Di Meglio)

* EDGI (Peter Kacsuk)

* StratusLab (Ioannis Liabotis)

Consider the role of the Deployed Middleware Support Unit within EGI with the software providers.

Session Classification: EGEE to EGI Transition Meeting: Middleware
