WP6 - Common Services: Integration and Maintenance

Wednesday, 10 January 2018 11:00 (1h 30m)

The session will focus on the second set of action items:
1) WP Work Plan. Detailed 12 month work plan specifying distribution of activities by task,
2) Preliminary definition of lead authors for each deliverable,
3) Preliminary definition of milestone owners in PY1,
4) Define WP regular meetings,
5) Define preliminary quality metrics,
6) Define team membership,
7) Identify the Key Exploitation Results (KERs),
8) EOSC-hub/OpenAIRE Advance collaboration - Assessment and impact on the WP work plan.

All WP6 task leaders and experts are invited to contribute

Presenter: SCHOTT, Andreas (Rechenzentrum der Max-Planck-Gesellschaft)
