EGI CSIRT Face to Face Meeting

The EGI CSIRT team will meet again to review and discuss
various security issues. Discussion and update from following activities will be given:

- Incident Response Task Force
- Security Monitoring Group
- Security Drill Grop
- Security Training and Dissemination Group

There will also be timeslot for brainstorm. It is anticipated that most CSIRT members will attend in person, but a few might join remotely.

Required Facilities

Projector + Internet
Video/online conference facility to allow remote participation

Duration (90min sessions)

2 consecutive sessions
