The EUMEDGRID-Support User Forum

The User Forum will showcase the most relevant scientific and technological results achieved by Virtual Research Communities supported by the project and those existing around the world and will be an occasion to discuss policies and plans for the long term sustainability of regional e-infrastructures in the Mediterranean area.

The event will bring together a community of researchers, developers, practitioners, service providers and users involved in Grid technology and Distributed Computing Infrastructures (DCI), as well as policy makers and government representatives.

The User Forum will feature invited keynote addresses and refereed paper presentations through an open call for papers. The selected papers will be published in the User Forum Proceedings.

The call for papers is open at www.eumedgrid.eu/index.php/paper-submission.

Important dates are:

1. Deadline for abstract submission: 29 July 2011;
2. Acceptance notification: 5 August 2011;
3. Camera ready papers: 9 September 2011.
