

EGI Federation status and strategy 2021-2024

Monday, November 2, 2020 10:00 AM (30 minutes)

In this presentation we will showcase the status and future directions of the EGI Federation addressing the role and future of scientific computing in the coming decade. We will inform the audience about the status of the EGI Federation, our success stories, the status of the EGI strategy implementation, and our collaborations.

Presenters: ANDREOZZI, Sergio (EGI.eu); FERRARI, Tiziana (EGI.eu)

Session Classification: Opening plenary
