

Position statements

Tuesday, 3 November 2020 10:40 (10 minutes)

Two representatives from the research communities will provide statements on:

- what the EGI Federation has done so far for their communities to support open science
- what the EGI Federation could do more moving forward

The speakers are:

- Sorina Pop, CNRS Research Engineer at CREATIS & BIOMED VO Manager representing the BIOMED Research Community
- Isabel Campos, Researcher at the Spanish Research Council (CSIC), representing the IBERGRID Infrastructure

Presenters: CAMPOS, Isabel (CSIC); POP, Sorina (CNRS)

Session Classification: Open Science Policy in Europe: state of play and EGI contribution
