70 years of discoveries with the Italian Institute for Nuclear Physics. Interview with Prof. Antonio Zoccoli, INFN President

Wednesday, 20 October 2021 09:45 (15 minutes)

Prof. Antonio Zoccoli will walk us through 70 years of discoveries in Physics with INFN, the Italian National Institute of High Energy Physics, member of the EGI Federation. With Antonio we will learn how innovation in ICT from broadband communications to distributed computing have been key enablers of scientific excellence.
