

The 3rd Global Open Science Cloud Workshop

Report of Contributions

Contribution ID: 2

Type: **not specified**

Keynote talk – Overview of CODATA Global Open Science activities and the WorldFAIR project

Thursday, 22 September 2022 11:00 (30 minutes)

Presenter: Dr HODSON, Simon (CODATA)

Session Classification: Overview of Global Open Science Cloud and Technology Framework

Contribution ID: 3

Type: **not specified**

What users' need? –GOSC Radar Case Study Working Group

Thursday, 22 September 2022 11:30 (15 minutes)

Presenter: HAGGSTROM, Ingemar (EISCAT)

Session Classification: Overview of Global Open Science Cloud and Technology Framework

Contribution ID: 4

Type: **not specified**

What users' need? –GOSC SDG-13 Case Study Working Group

Thursday, 22 September 2022 11:45 (15 minutes)

Presenter: ZHANG, Lili (CNIC)

Session Classification: Overview of Global Open Science Cloud and Technology Framework

Contribution ID: 5

Type: **not specified**

Keynote talk – What can GOSC help? –GOSC Technical Infrastructure Framework

Thursday, 22 September 2022 12:00 (20 minutes)

Presenter: Prof. LI, Jianhui (CNIC)

Session Classification: Overview of Global Open Science Cloud and Technology Framework

Contribution ID: 6

Type: **not specified**

How to implement? –EOSC AAI experiences for GOSC AAI

Thursday, 22 September 2022 12:20 (20 minutes)

Presenter: LIAMPOTIS, Nicolas (GRNET)

Session Classification: Overview of Global Open Science Cloud and Technology Framework

Contribution ID: 8

Type: **not specified**

How to implement? –GOSC Data Interoperability Working Group

Thursday, 22 September 2022 12:40 (20 minutes)

Presenter: Dr OJSTERŠEK, Milan

Session Classification: Overview of Global Open Science Cloud and Technology Framework

Contribution ID: 9

Type: **not specified**

Keynote talk – Advance Cloud technology in Alibaba and CNIC-Alibaba integration

Thursday, 22 September 2022 15:50 (30 minutes)

Presenter: Dr HUANG, Ye

Session Classification: Implementation of the Global Open Science Cloud

Contribution ID: 11

Type: **not specified**

Cloud Federation between EGI-South Africa

Thursday, 22 September 2022 16:35 (15 minutes)

Presenter: Dr SIMMONDS, Rob

Session Classification: Implementation of the Global Open Science Cloud

Contribution ID: 12

Type: **not specified**

Cloud Federation between EGI- Hungary

Thursday, 22 September 2022 16:50 (15 minutes)

Presenter: Dr LOVAS, Robert (SZTAKI)

Session Classification: Implementation of the Global Open Science Cloud

Contribution ID: 13

Type: **not specified**

Black Sea Open Science Cloud for the Blue Growth in the Black Sea Region

Thursday, 22 September 2022 17:05 (15 minutes)

Presenter: Prof. MAMUT, Eden

Session Classification: Implementation of the Global Open Science Cloud

Contribution ID: 14

Type: **not specified**

Cloud Federation between EGI- RENAM

Thursday, 22 September 2022 17:20 (15 minutes)

Presenter: ILIUHA, Nicolai

Session Classification: Implementation of the Global Open Science Cloud

Contribution ID: 15

Type: **not specified**

Keynote talk –EGI international Cloud Federation Approach and achievements in EGI-ACE

Thursday, 22 September 2022 15:30 (20 minutes)

Presenter: FERNANDEZ, Enol (EGI.eu)
