

EGI Services for Federation - An overview

Wednesday, 2 October 2024 16:45 (10 minutes)

The EGI Services for Federation complement the EGI Services for Research and Business with tools for coordination of the EGI Federation, improving how we, as a federation, work together.

This presentation will give a bird eye view about the EGI Federation services landscape, before diving into the individual services and service roadmaps. <https://www.egi.eu/services/federation/>

Topic

Session Classification: Advancing Together: New Features and Roadmaps of the EGI Federation services
