ESFRI, cluster and related projects workshop

Tuesday, 27 March 2012 16:00 (1h 30m)

This workshop will explore the impact of EGI service offerings on the ESFRI, CLUSTER and other related projects.

Session 1 –14:00 –15:30 (15min presentations)

1. David Wallom –CRISP
2. Alexandre Bonvin –INSTRUCT
3. Claudio Vuerli –CTA
4. David Corney –EU-DAT
5. Wouter Los –ENVRI
6. Giuditta Marinaro - EMSO

Session 2 –16:00 –17:30

1. Dan Broeder –DASISH
2. Ye Cao –DARIAH
3. Antonella Fresa –DCH-RP
4. Discussion –45 mins

Representatives from all of these are encouraged to attend.

The EGI service offering is a broad and diverse portfolio which can be tailored to the specific needs of the various communities. Services cover various areas from technical operations, community support and communication coordination to organisation-level support and coordination.

The focus of the workshop is to capture key short and medium term needs from the ESFRI Cluster projects and match them where possible to current and forthcoming EGI/NGI service offerings.

Session Classification: ESFRI, cluster and related projects workshop
