

Minutes COD meeting 5-12-2011

This COD meeting had only one topic namely the plans for 2012.

We agreed to do the following:

topic	priority
ROD metrics followup	high
ROD education	high
Improve A/R followup	high
Pursue the solution to the “unknown” status issue	highest
Include test resources in the infrastructure	medium

COD as guardians of the OLA. M&M will investigate this in what way this can lead to concrete actions.
