

NGI validation/creation procedure

Małgorzata Krakowian
On behalf of COD

OMB 27.07.2010

- https://wiki.egi.eu/wiki/Operations:NewNGIs_creation
 - Current version: 0.16
- Chagnes since last OMB 29 June 2010:
 - Clarified the process through which the ROC or COD is notified about the need to start the technical validation of a new NGI
 - Changes in order of Nagios validation steps
 - Optional step about publishing sites in BDII in new NGI (SITE_OTHER_EGI_NGI and SITE_OTHER_GRID values)
